

2025 INDUSTRY CONFERENCE

MARCH 7, 2025

BUSINESS BEYOND TOMORROW

Shaping Future Business Success

The ACFA 2025 Industry Conference is your chance to discover innovative practices, and learn from the leaders shaping the future of our industry. Whether you're an experienced professional or just starting out, this conference is designed to provide you with the insights, strategies, and tools to thrive in an ever-evolving marketplace.

We are focusing on equipping your business for the future, covering everything from cutting-edge AI solutions and efficient business structures to essential legal insights and the evolving workforce. Each session is designed to provide practical, actionable strategies that will drive growth, improve efficiency, and help you stay ahead in a rapidly changing industry.

Invest in your business's future by being part of this dynamic, forward-looking event.

2025 INDUSTRY CONFERENCE

MARCH 7, 2025

**BUSINESS BEYOND
TOMORROW**

SPEAKER LINE UP

Whether you're looking to harness technology, build a more resilient business, navigate legal complexities, or attract the next generation of talent, this conference has insights tailored to your needs. Join us for a day packed with expertise, networking, and strategies that will keep your business thriving. Don't miss this opportunity to gain a competitive edge and prepare your business for tomorrow!

Harnessing Artificial Intelligence to Drive Business Success

Julian Moore

Julian will show how AI can simplify processes, cut costs, and drive growth, ideal for businesses of all sizes. With real examples, he makes AI easy to understand, giving you tools to streamline manual processes and reduce costs.

Built to Last: Creating a Business That Thrives Without You

Ben Fewtrell

Ben will guide you on building a self-sustaining business, sharing strategies on how to set up your business so you can take a step back and feel confident your business will continue to flourish, even when you're not there! Perfect for anyone seeking more freedom or planning for long-term stability.

Essential Legal Insights: Consumer Rights, Contracts, and Payment Protection

Andrew Seaton

Andrew brings practical advice on what Consumer Guarantees are, unfair contract terms, Home Warranty Insurance, contracts 101 and the rules that apply to you that determine whether you get paid. This session will help protect your business and you're set up to get paid fairly and on time.

Building Tomorrow's Trades: Attracting and Retaining the Future Workforce

This session explores what younger tradespeople want from their careers. With insights on culture and retention, you'll learn ways to attract and keep talent in today's evolving workforce. In light of labour shortages and evolving work expectations, retention strategies are more critical than ever. This session offers essential insights into the changing workforce, helping attendees understand and engage the next generation of tradies.
